New Horizons – from The Reverend Martin Jacques

The removal van is booked, and I have just written my last sermon for this Sunday's Eucharists. Our cat (Axel) has been informed that he is moving soon (but I don't think he was listening); we have been at two university and NHS leaving parties for Louise and we are preparing for a leaving party tomorrow evening at ours, and my in-laws are arriving on Saturday to help with the moving process.

My last email communication that I write weekly to about 220 people called "soul food" is now in abeyance for a few weeks. I'll be looking for new subscribers soon!

I am receiving a lot of cards and leaving presents....mostly wine (they know me so well) so all in all it seems that we are definitely on the move next week.

We are so excited; it eases the trauma of the moving process, and we are looking forward to making new friends and discovering a new part of the world for both of us. I am sure we will be a bit frazzled and disoriented for a bit, but the thought of living in such a lovely part of the world perks me up no end.

I intend to use the time between arrival and induction on 13th June to just turn up to various services at all three churches to see how things are, so don't be surprised to find a couple of strangers in any service asking lots of silly questions!

I want to thank all the people who have worked so hard to keep everything going to the best of your ability during the interregnum, including all the clergy but also everyone who does all the necessary things but go unheralded. All the parish visitors, the cleaners, those who set up, those who prepare the registers, who look after the finances, open up, sing, welcome, serve, those who do all the little jobs no one else wants to do, and last but not least, all those who attend the services - THANK YOU!

We do it because our respective communities are organic entities and as St Paul says we are all members of one body. No-one can say they don't need or want someone else. No matter how great or small (in our own estimation) our part is, we are integral to the spiritual and physical health of the whole body.

Louise and I are soon to join that body in the Raleigh Mission Community and God willing, our ministry will be extremely fruitful.

I end by quoting part of the gospel from last Sunday where Jesus was praying for his disciples and said (as part of a greater section where Jesus described Himself as the "true vine"). "You did not choose me but I chose you and appointed you that you should go and bear fruit and that your fruit should abide".

Love, Martin

OTTERTON PARISH COUNCIL

Thank you to everyone who helped with the Parish Council Litter Pickup on 12th May – we are so fortunate to live in this wonderful environment; thank you for helping us to keep it beautiful. Following on from this the Parish Council are seeking someone to take on the role of **Warden for Public Rights of Way and Footpaths**. The main qualification is to enjoy walking and regularly traverse the footpaths & PROW in the area whilst having a commitment and determination to keep these accessible for others to enjoy. For more details please contact the Parish Clerk on clerk@otterton.info

To the many dog walkers in the area please can we remind you to pick up after your dog and to place used poo bags in the bins provide; nobody wants a bag hung on their garden gate.

Please could we also ask residents to be considerate of their neighbours when lighting bonfires and to remind them that the burning of any construction materials is unlawful.

There has been much interest from residents regarding the retrospective planning application made by Ladram Bay for the new storage area (17/1584/FUL). The Parish Council discussed this matter fully at the Parish Meeting on 2nd May following which a letter of objection was sent to EDDC and a summary posted on the East Devon Planning Portal. For more information please visit the EDDC website.

The next Parish Council Meeting will take place on 4th June commencing at 7.30pm in the Committee Room at the Village Hall, preceded by a visit to Stantyway Recreation Field at 6.30 pm

THE RALEIGH FEDERATION – from Carron Saunders, Executive Headteacher

As we go further through the Summer Term, our whole school topic continues to be “Food, Glorious Food.” This topic is giving the children plenty of opportunities to cook in the classrooms and to make use of our school allotment. Alongside this, the older children are learning about Tudors and their teachers are currently planning a visit for them to The Golden Hind at Brixham.

For all the children, we have Arts Week after half-term, which will begin with a whole school trip to Plymouth Aquarium for inspiration and culminate in an exhibition of the children’s work in the Salem Chapel. Their exhibition will be open in the afternoon of Saturday 9th June and Sunday 10th June to coincide with East Budleigh’s Scarecrow Festival. Please come and browse if you can, we would love to see you there.

The term is filled with lovely experiences for the children, including trips, sports day, residential for the Y6s and the Summer production. In amongst all this, the high-quality teaching and learning continues and the serious business of external national tests goes on, KS2 SATs for our Y6 children, KS1 SATs for our Y2 children and the national phonics check for our Y1 children. We work hard in school to encourage all the children to develop a growth mindset, and a positive view of themselves so that they calmly and confidently tackle challenges in their learning, including these assessments.

NEIGHBOURHOOD PLAN

We are currently working on a questionnaire for the businesses in our area. We’re also starting to look at how best to incorporate the feedback from the questionnaires last year and the Village Hall meetings.

We would welcome additional input to our group having lost a member recently, so if you would like to assist the group or get involved, please contact us at OttertonNPSG@gmail.com or on 07940 529807.

OTTERTON GARDEN CLUB

No report this month.

OTTERTON COMMUNITY SHOP UPDATE

New in this month is a fab new range of chutneys and mustards, just in time for the BBQ and picnic season. We have added sandwiches to our range of ‘ready to go’ foods, together with healthier option cold drinks. Plant sales continue to do really well, attracting both local and visiting gardeners.

Remember, we are seriously looking for new people to learn some of the essential back-office tasks before the retirement of some of the long-standing committee members. The shop is now well established and becoming increasingly popular, but without a properly functioning committee it will disappear! Note to our shareholders – AGM is on 21st June.

Music

Thursday 28th - Goat Roper Rodeo Band

This North Wales trio show just what you can achieve with a couple of acoustic guitars, a stand-up bass and the voice of a pinch-faced Kentucky miner’s son! The harmonies flow easily, the songs sound like standards, they’re that comfortable, that skilled and as authentic as a sweat-stained sun-bleached John Deere hat! It’s a fine second effort from a band who look and sound the part – Americana UK Review 2016 www.goatroperrodeoband.co.uk

CLINTON DEVON OPEN FARM SUNDAY

Our farm team are busy preparing for **Open Farm Sunday** on 10th June. Join us between 11am-4pm at Otter Farm, Colaton Raleigh, for a chance to see a working dairy, find out how organic milk is produced and why supporting British farming matters. With lots to see for all ages and refreshments available. Entry from north of the village off the B3178, Exmouth Road.

At Stantyway Farm, new signage has gone out to show you what the farmers, Sam and Nell Walker, are growing and doing for wildlife. A polite reminder to dog owners to keep dogs under close control around livestock. Otterton is blessed with plenty of Public Rights of Way; please stick to them and help all who farm in the parish by not allowing dogs to enter or foul farmers' fields. Thank you. kate.ponting@clintondevon.com 01395 446918

LITTLE OTTERS PRE-SCHOOL

Little Otters has now reached the anniversary of moving into Drake's School in East Budleigh. The Management Committee would like to thank Mrs Saunders, the teachers and Governors of the Raleigh Federation for the wonderful way in which the pre-school has been accommodated. The children currently at pre-school who are due to move on to both Drake's and Otterton Primary Schools will make a seamless transition which can only be positive for parents and children alike. Looking forward to the next academic year it would be really great to hear from anyone who is considering a place at Little Otters next term. Unfortunately, due to the low number of children currently expected in September, the Management Committee are having to make decisions about the ongoing sustainability of the pre-school. Therefore confirmation of your attendance plans for next term by **5th June 2018** would be appreciated. Please also encourage anyone else you know who potentially may want a pre-school place next term to get in touch with us through Drake's School 01395 443871 / enquiries@littleotterspreschool.co.uk Thank you. We look forward to hearing from you.

THE LOOKOUT FROM LADRAM – from Bryony Parkinson, Marketing, PR & Events Co-ordinator

What a Marvellous May we had! A glorious bank holiday weekend to kick us off, followed by a lovely Royal Wedding, a successful Open Darts Summer Festival event, many wonderful entertainment evenings and of course the official launch of our Splash Zone, opened by Olympic Swimmer Liam Tancock.

We reached the top of the world! Ladram Bay sent our 'Celebrating 75 Years' flag to the North Pole with Alan Chambers MBE and his team. They embarked on the chilly trek to raise money for the charity Borne, which is a medical research charity working to identify the causes of premature birth. They arrived at the Pole at 5pm on Thursday 19th April 2018. Well done to all.

Borne is one of the charities we will be raising funds for during our 75th year; the other charities we will be supporting are the Exeter Foundation and The Royal Marines Charity. Our latest charity challenge will see the Ladram Bay team climbing the height of Everest on our indoor climbing wall.

Looking for a new challenge? We're still recruiting for seasonal positions within our complex:

. Waiter/Waitress; House Keeping; Bar Staff

To find out more or apply with your CV and covering letter please email lisaspickett@ladrambay.co.uk Now it's time to enjoy June!

HISTORY OF OTTERTON.....Did you know?

A number of old cottages and farmhouses in Otterton have chimney (lateral) stacks built onto the front and sometimes the back of the building. Many of these originally had open fires in the centre of the main hall with smoke going out through a hole in the thatched roof. These stacks were built later, sometimes with a date (Basclose 1627, Rydon 1707). Three of the buildings have a small alcove, covered with glass, built into the chimney: Basclose, Santasu and Anchoring Farmhouse. A fourth, The Barn, had theirs bricked up). They had candles in them at night to aid travellers and, it is said, to aid smugglers.
