

Report for OPC Meeting 7.2.22

Otterton School (Raleigh Federation) It has been a great start to the Spring Term at Otterton, we have welcomed some new children into our pre-school with others increasing their hours and there are more children due to start with us after Easter, numbers for September are also encouraging.

Some of the children from years 5 and 6 took part in the ECCT Kids Cup, a football tournament at Exeter University, despite it being very cold and wet the children from Otterton and Drake's combined to form a team and they played brilliantly together, coming fourth place in the plate competition, an amazing achievement and we are very proud of the team that took part.

The younger children have been spending time at our school allotment where they have enjoyed exploring and playing as well as preparing the ground to grow vegetables in the Spring, the children are very excited about this and can't wait to see what will grow!

We have had a PE day with Mrs Mason from the Dartmoor School Sports partnership where the children took part in gymnastics, creating and learning routines, some of the children went to a sports festival at Exmouth Tennis centre, organised by the DSSP and some of the children from Heron Class took part in the Maths Challenge which is an event that is put on each year by Exmouth Community College to go and complete fun maths challenges with other children.

In the coming weeks, some of Heron Class will be going to a Link Academy Trust KS2 Cross Country Running Event at Stover School nr Newton Abbott, they will take part in Cross Country races against children from other Link Academy Trust Schools and are really looking forward to it.
